Next Regular Meeting: Thursday, August 13th, 2009 Program: Joel Rubin

THIS WEEK

Program:

Joel Rubin
President

Rubin Communications "They know everybody." That's what business and political leaders in Virginia say about Rubin Communications Group. It's no wonder. Founder and President **Joel Rubin**, who built a solid reputation as a television reporter and talk show host in the area and was elected in 2009 to the Virginia Communications Hall of Fame, is well-connected but also highly regarded as a creative force in the community.

Yet it's Joel's team of talented associates that truly "makes things happen" with their strong writing, branding, design, video production and media relations skills as well as a commitment to customer satisfaction. RCG's clients range from national development firms to local restaurants, from financial institutions to trade associations.

At Rubin Communications Group, we are not the attorneys, the engineers, the accountants, the architects or the technicians. We are the professionals who understand that the citizenry, local governments,

civic leaders, news media and other "influencers" will have a say in whether plans and ideas move forward. Since 1991, organizations with much to gain or lose have called upon the experience, relationships, judgment and integrity of Rubin Communications Group for counsel and guidance before and after taking their proposals public.

Rubin Communications Group is assisting CenterPoint Properties Trust of Chicago in its bid to convince the Commonwealth of Virginia to consider a public private partnership to share ownership and help operate the Port of Virginia

Resolution for Ed Post

Judge **Hal Bonney**, in his unique way, memorialized our dear friend **Ed Post**.

Judge **Bonney** requested President **Bob** to forward a copy to the White House as well as the President of the Senate. Remember, **Ed** was the personal page of President Calvin Coolidge and a favorite of Vice President Charles Dawes.

President **Bob White** presents the Resolution to daughter **Diame Myers**, granddaughter **Diana Courts** and her husband **Teg Courts**.
